

Tuhinur Rahman

Full Stack Developer (Frontend Focused) | JavaScript

E 8801912991722 tuhinrahmna48@gmail.com [Github](#) [Linkedin](#)

SUMMARY

A passionate self-taught JavaScript programmer with hands-on experience in both frontend and backend development. Over the years, I have worked on numerous projects, gaining expertise in building dynamic and user-friendly interfaces. My strongest skills lie in frontend development, where I specialize in creating seamless user experiences. As an eager learner, I continuously explore new technologies to enhance my skills and stay updated with the latest trends in the industry.

SKILLS

Frontend

React/Next.js, TailwindCss, Redux, React-Query/Tanstack Query

Backend

Node.js, Express.js, MongoDB, Prisma

Others

Git & Github, Figma,

PROJECTS

Next.js Portfolio Dashboard

Built with Next.js, Tailwind CSS, and MongoDB, this dynamic portfolio highlights skills, projects, and experience with a clean, responsive design.

- Built with Next.js, Tailwind CSS, and MongoDB
- Responsive UI with dashboard layout
- Added auth & dynamic content features
